

NOTICE

Your application will not be acted upon until all components of the application have been completed and received by the College of Business Administration. It is suggested that applicants telephone the Graduate School before March 1 to confirm that all materials for application have been received.

APPLICATION PROCEDURES

A. The Graduate School requires direct receipt of the following:

1. The Graduate Application for Admission (orange form) with a \$35 (US currency) nonrefundable application fee. The University of Tennessee must receive the application fee before the application can be processed. Fee may be paid by personal check, money order, or cashier's check payable to The University of Tennessee. The Graduate School application is now available on line at their internet site listed below.
2. Two official transcripts from each institution attended, including all undergraduate and graduate work (to be submitted by institution).
3. TOEFL score report for international students submitted directly by Educational Testing Service (applicant's copy is not acceptable). Contact the Graduate School concerning other requirements for international students.

B. The College of Business Administration requires the direct receipt of the following:

1. The College of Business Administration Doctor of Philosophy Admission Application.
 2. GMAT test results to be submitted directly by Educational Testing Service (ETS). Use the Institution Code Number 1843 for requesting test results from ETS. If you have not taken nor completed arrangements to take the GMAT, write to Graduate Management Test, Educational Testing Service, Box 995, Princeton NJ 08541 or visit their web site at http://www.gmat.org/gmatregstr_frames.html for testing information.
 3. Four references completed by individuals familiar with your academic capabilities. Use the enclosed forms and provide a stamp for each of the envelopes provided.
 4. The Application for Graduate Assistantship (optional).
