

SAS® OnDemand for Academics: Enterprise Miner™

Student Registration Instructions

1. Visit the following Web site to begin:
<http://support.sas.com/ctx3/sodareg/index.html>
2. Enter your e-mail address in the text box to get started.

SAS® OnDemand for Academics

With SAS® OnDemand for Academics, you can access the power of SAS software through the Internet.

Getting Started with SAS® OnDemand for Academics

SAS® OnDemand for Academics provides an innovative delivery model that makes it easy to access the analytical power of SAS for teaching and completing coursework. Users register for the service, access a SAS software application via the Web, and then perform processing by connecting to a hosted server at SAS.

Please enter your e-mail address

If you are a new user, we will guide you through the registration process. Returning? We will prompt for a password.

Please enter your e-mail address:

Enter

- If you do not have a SAS Profile associated with your e-mail address, you will be prompted to create one.

SAS[®] OnDemand for Academics

With SAS[®] OnDemand for Academics, you can access the power of SAS software through the Internet.

Create your SAS profile:

SAS[®] OnDemand for Academics requires that you have a SAS profile, and we did not find one for this e-mail address. Complete the form below and we will create one. Fields marked with * are required.

Profile Information:

Salutation: * Mr. Mrs. Ms. Dr.

First Name: *
